POINT OF CARE TESTING EQA SCHEME REGISTRATION FORM

If you have replaced an existing instrument and wish to change registration from the old to the new device, you do not need to take out a new registration - please record your participant number here: and your details will be transferred to the relevant programme.

Please give name and address details for distribution of survey materials and reports.

Post Code _____

Tel: _____ Fax: _____

Registration at a particular location covers a specific monitor that may be used by a number of different personnel and transported to an alternative location

Please state details of either the Trust/PCT or General Practice responsible for payment of this invoice. If applicable, please state a Purchase Order No:.....

Tel: _____ Fax: _____

If a PO No. is not supplied a signature is required from an authorised individual within the above department. Registration will not commence until this is received:

- Please ensure that details are correct for invoicing as we will have to apply an administration charge of £25.00 if an invoice has to be cancelled and reissued.

Participants who register for web-based participation will attract a £10 discount on this fee. Please tick if you wish to register for web-based participation.
